

My 4-H Year – A 4-H Story

This is the overall story of your 4-H year
beyond what you did in your project work.

Include your involvement and activities in these areas as applicable.

Club
Lincoln County 4-H

State 4-H
National 4-H

Remember this isn't what your club did or what the Lincoln County 4-H did, but rather how you contributed to the work of your club or the state/national 4-H, how you were involved in the activities, etc.

Use pictures and stories to tell what **you** did.
(Do not include project pictures; they belong in the project section.)

Pictures must be captioned.

Include this sheet in your record book as the cover page to your story. Either type your 4-H story up or write it out on lined paper in black ink.

This section should have a section divider.
