

OASIS

because it's good to get paid to study

Bad grades? Trouble doing your homework? Or do you just like FREE STUFF!?!? Whatever the reasons, OASIS is the program for you!

OASIS is a homework study program for 6th-12th grade students, and it happens on Tuesdays and Thursdays from 3-6pm at OTTS Garage Youth Center in downtown Merrill. It's absolutely free.

The best part about OASIS? We reward you for doing what you're already supposed to be doing — your homework! Every 15 minutes you spend on your homework, you earn an OASISpoint! Redeem your points for gift certificates to local places like Taco Bell, McDonalds, or other places! The more homework you do at OASIS, the more rewards you get!

For more info, please call 715-539-3939! OASIS starts Sept. 6th.
