Youths discover 4-H projects at Tomahawk event

DEBBIE MOELLENDORF
FOR USA TODAY
NETWORK-WISCONSIN

Twenty-four youths from throughout Lincoln County participated in a variety of 4-H project sessions March 5 at the Tomahawk Middle School as part of Project Discovery Day.

Youths participated in sessions on topics including basket weaving, arts, robotics and preserving food. Sponsored by the Lincoln County 4-H Leaders' Association and University of Wisconsin-Extension 4-H Youth Development in Lincoln County, Project Discovery Day is designed to provide youths, in 5-year-old kindergarten and older, a chance to discover what they can learn and do in 4-H. The event was open to all youths, and 4-H members were encouraged to bring a friend.

During the day, youths participated in sessions

led by the following 4-H adult and older youth volunteers and University of Wisconsin-Extension staff members: Lily Cordova, Amanda Kostman, Lisa Woelbing, Pat and Yvette Chieves, Beth Krueger, Lisa Krueger, Caroline Lemke, Peter and Maxine Schuetze, Cheryl Roets, Morgan Wolfram, Laurie Woller, Heidi Sturzenegger and Debbie Moellendorf.

Another 4-H Project Discovery Day is being planned for fall in Merrill. Watch for more information and registration materials in late August and early September.

If you are interested in learning more about 4-H or want to get involved in Lincoln County 4-H, please feel free to call Debbie or Amanda in the UW-Extension office at 715-539-1072, visit the website at <http://lincoln.uwex.edu/> or subscribe to the Lincoln County 4-H Blog,
