- The facility will be open a half-hour prior to the event starting to allow participants to become comfortable with the stage, microphone and/or piano/keyboard prior to performing.
- If you use props that create a mess (i.e. straw, hay, etc.), try to wrap them in something and ask coordinator of the event for equipment to clean up after yourself. This will help everyone involved.
- The 4-H Board of Directors made the decision on March 23, 2013 for all county events, awards will be given out at the end of the event. If participants need to leave the event before the awards are presented, their awards will be mailed or distributed to them at a later date.
