Mission Statement

Live Sustainable, Lincoln County is a non-profit organization that works to help people lead more environmentally friendly, fair and economical lives, for the good of their families, their community, and the planet.

What is Sustainable Living?

Our definition is:

A life that is deeply satisfying, fulfilling, and appealing because it is socially, environmentally, and economically responsible. It's about making changes and informed choices, even small ones that improve the quality of our lives and of the planet for future generations.

Your Membership:

- Supports speakers, workshops, and tours.
- Helps with Community Gardens and orchard maintenance.
- Connects you with likeminded people who are willing to listen, learn, share and mentor.
- Provides you with an opportunity to volunteer and improve the health of our community.
