

## Instructions for Lincoln County 4-H'ers Wishing to Enter Wisconsin 4-H State Horse Events

Please have your entries, fees, and copy of current coggins test stapled together when turning in materials by specified due dates below. Copy of Animal Premise ID is not needed – just be sure to enter your number on your entry form.

It is considered a privilege to represent your county at a State 4-H Horse Association event. To participate the exhibitor MUST be a currently enrolled 4-H Horse or Horseless Horse youth member in good standing on a 4-H club and county level. The work/animal exhibited must be the 4-H member's project work completed within the current 4-H year.

For all of these state events, make sure that you have all of the necessary signatures on the forms and correct fees. Holly Luerssen, 4-H Youth Coordinator, will then sign them prior to mailing them as a group. These deadlines are established to allow sufficient time for entries to be mailed as a group by the state deadlines. There are no exceptions to these deadlines. Contact Holly at 715-539-1076 if you have any questions.

Information and registration materials can be found online (<http://fyi.uwex.edu/wi4haganimalscience/wi-4-h-horse-assn-handbook/>) Scroll down to Chapter 3 Statewide Events or click on the event interested in on the right side bar. If you are unable to access this website, a copy of the materials may be obtained from the UW-Extension office.
