April/May 2021

Editor: Holy Luerksen — Production: Rebecca Kivuly

Grounded
in the past
Built
for the future

Hello All Volunteers, 4-H Youth, and Extension,

As Spring is upon us, let us look to longer days and warmer weather! I hope the winter was enjoyable and spent with loved ones. This past year has been a challenge for us all. One thing I have learned is that we are resilient, and we adapt. Now that we can start to gather, look for more communications and updates from your clubs and groups. 4H has been working this winter to improve programming and training. As I write this article there is a group from across the state that is meeting virtually, improving training programming for parent volunteers. The diverse group is spending a good deal of time looking at realistic scenarios and how best to approach the situations that may arise during trips and at camps. YES, we will be having trips again. This commitment to volunteers and youth is just one example of the dedication and professionalism that 4H brings to the table. Even in the current environment, we are continuing to evaluate, revise and plan for the future.

It is my hope that we will once again be able to meet and have a county fair this summer. Please continue to work on your projects and care for those animals! Better days are coming! Our Leaders Association has been meeting virtually this past year and making the best of the current situation. The Leader's Association is committed to the development of Lincoln County youth and providing experiences and learning opportunities for all of Lincoln County. This dedicated group has worked on multiple projects to provide funding for programming and scholarship opportunities.

The 4H pledge includes the following: My hands to larger service, My health to better living. Let's look at the first part, larger service. Think back over the past several months. Have you contributed to a group or effort that is for the common good or positively impacts others? How about the second, better living. During our time spent at home. Have we spent it productively or on the couch?

Wishing you a warm and prosperous Spring!

Chad Lashua
4-H Leaders' Association President

Happy Spring! What a difference a year makes. Last year at this time we were closing down our in person meetings and shifting to virtual formats. This spring, we are able to open up our in person programming and continue virtual programming.

Have you heard that guidelines for April and May in person meetings has been expanded? You should have received an email from Dei, the 4-H Program Manager on March 10th. It explained how you can hold in person indoor and outdoor meetings safely. Please review it. Here are a few highlights.

- **Indoor Program Guidelines:**
 - 30% of room capacity, up to 50 people.
Ex: if room capacity is 100, then only 30 people are allowed.
 - Up to 4 hours
 - No eating indoors; Pre-packaged snacks can continue to be shared but must take them home.
 - Face Covering are still required.
- **Outdoor Programs:**
 - Up to 150 that can be spread out.
 - Face Coverings only needed when spacing of 6 feet or less cannot be maintained.
 - Continue to provide handwashing/sanitizer, disinfecting wipes for clean-up and sanitizing equipment between uses.
 - If local mandates are stricter we must follow those.
 - More details about in person programs & events can be found at <https://4h.extension.wisc.edu/4-h-faqs-related-to-covid-19/>

Approval Forms are still required. Updated forms are available at <https://4h.extension.wisc.edu/files/2021/03/ProgramPlanningChecklist-4.pdf> (or just google [WI 4-H COVID](#) to find the website and download the **Program Planning Checklist**).

It is exciting to see a few of our clubs and projects have already started to plan for April and May educational meetings. I would like to encourage you to think about planning club or project meetings for this spring. The 4-H families are eager to get back in the swing of things. **Don't worry about having to plan a lot. Starting small is ok!** If you would like to discuss possibilities for meetings, just ask.

Please do not forget to submit a program approval form. They are easy to fill out. Submit them to me 10 days or more before the meeting/event. The more time you give, the easier it is to get through the system. If you are planning reoccurring meetings, please note that on the form. For instance, your club meets the second Monday of the Month.

Where to meet? Check with your typical meeting space. They may or may not let outside organizations hold meetings. Or, the room capacity may not fit the needs of your group size. (Remember, 30% of capacity for indoor meetings). There are conference rooms available at the Lincoln County Service Center (where the 4-H office is located). You request those rooms through Becky in the Extension office ([715-539-1072](tel:715-539-1072) or rebecca.kludy@wisc.edu)

We are eager and ready to help you get club and project 4-H educational programs up and running. Please contact us if you have any questions.

Random Acts of Kindness

Let's make the world a better place.

A poster for 'Random Acts of Kindness' in Lincoln County. The background is a teal wood-grain texture. In the top left, there is a logo for Lincoln County 4-H with a red barn, a blue rocket, and the text 'Lincoln County', 'Est. 1920', and 'Grounded in the past, Bound for the future!'. To the right of the logo, the words 'Random Acts of Kindness' are written in a large, purple, stylized font. Below this, the text 'No act of kindness, no matter how small is ever wasted.' is written in a black, serif font, with each line underlined. To the right of this text, the word 'Resop' is written in a large, black, serif font, also underlined. In the bottom left, a white box contains the text 'Join Lincoln County 4-H in doing a Random Act of Kindness each day in May.' In the bottom right, there are two hashtags: '#LincolnCoWI4H' and '#RandomActs'. A red ribbon is tied around the right side of the poster.

Pay it Forward in May!

We're planning the next Cans For Kids 4-H Fundraiser and we need you!

The can collection fundraiser was a huge success last year and the 4-H raised over \$600. HOWEVER, we need more volunteers to help out if we want to continue running this fundraiser. The most labor and time intensive part of the can drive is going through all the bags to make sure that they only contain aluminum cans.

You can help!

We need people who:

- can help organize and run the can drive
- can collect cans on a Saturday morning from 8 am—noon
- have a trailer to haul cans either on that Saturday morning or at some time later that week.
- can volunteer time to sort through and remove all things that are not non-aluminum cans

If you would like to help with this great fundraiser, please call Jeanne at [715-218-0510](tel:715-218-0510).

We are planning on holding the next can drive the end of April.

We can't do this without your help!

Check your 4-H Online Account! We are seeing a few areas where youth or adults have not completed their 4-H online enrollments correctly.

- **Youth:** Double Check Project Enrollment. You can change your project enrollments if needed, but do that ASAP. **Last day to add or change projects on 4-H Online is June 1st** (This year only.)
- **Adults:** Are you associated with a club? Check Club Volunteer Role and select a club. Are you associated with a project? Check Project Volunteer Role and select a project.
- **Adult Approvals:** Are you needing a background check, VIP Training or Mandated Reporter Training? Approvals will not be given until all three areas are completed per State 4-H guidelines. All pieces must be completed by April 15, 2021 or Adult Volunteer status will not be completed. See letter sent in March.
- **Events & Activities:** More and more event and activity enrollments will be done through 4-H online. Check out the current opportunities for youth and adults now.
- **Broadcast Emails:** Broadcast emails are a tool our office uses to share out important information for projects, activities, trainings, and more. Be sure to read emails sent through 4-H online.
- **Enrollments:** Do you know someone that forgot to enroll in 4-H this year? Or, do you know someone you could invite to join 4-H? Share the enrollment website information with them. Then let us know at the office and we will mail out some 4-H information to encourage them to enroll.
- **Questions?** Contact Becky or Holly, we are happy to help.

DAIRYLAND STAND

COORDINATORS NEEDED FOR 2021!

The Dairyland Ice Cream Stand is also an important fundraising opportunity for Lincoln County 4-H. But did you know that it is also the perfect way for Youth and their families to fundraise for their own clubs, groups, or even individual 4-H trips and leadership opportunities?

The Dairyland Stand operates during the Lincoln County Fair each year. 4-H members and their families are encouraged to work a shift serving ice cream.

This year the Dairyland Stand is in need of coordinators. Coordinator duties are:

- Order supplies & Ice Cream
- Work with Extension Office to fill shifts
- Set Up & Clean of Stand (Before & After Fair)
- Open & Close the Stand Each Day
- Balance the Cash Box
- Make Deposits
- Any other duties as deemed necessary

Two or three volunteer coordinators would be helpful so one person does not have to bear too much responsibility during fair. Older youth could assist the adult coordinators in an organizational role also.

Contact the Extension Office if you'd like to learn more about the role of a Dairyland Stand Coordinator or if you'd like to volunteer to help lead this profitable fundraiser.

National Volunteer Week

April/May 2021

We are all volunteers.

Every adult 4-H member is a volunteer— whether you lead a club, organize a project, run a group event or chaperone and assist the youth— **YOU** are the reason that 4-H succeeds.

April 18—24 is National Volunteer Week.

Let's all should stand up and take bow!

But why stop there? The Lincoln County 4-H volunteer community is what makes our program so amazing, so let's continue to grow that community!

How to build a stronger 4-H Volunteer Community!

- Call up another volunteer who has helped you and thank them for their hard work!
- Post to Facebook (or other social media outlet) celebrating our awesome 4-H volunteers and all the good they do.
- Write a letter to the editor sharing your admiration of all the hard work LC 4-H volunteers do.
- Guide the future of the program by joining the LC 4-H Board of Directors
- Reach out to a new 4-H family and show them the volunteer opportunities available.
- Talk to your club/group leader and ask what you can do to help!
- Give yourself a pat on the back.

This past year has looked different but Lincoln County 4-H clubs, members and groups have risen to the challenge. We've held virtual meeting, met in new and socially-distant ways and continued to provide all the terrific opportunities that make us great. We showed our reliance and persevered. And we even had fun.

But let's face it: We'd like to be able to do some of the things we used to do. The things that we missed last year. The events we looked forward to every year.

GOOD NEWS!

Colors to decorate are red, green and black

Get started on your projects and plan on taking part!

Help out with the fair!

The fair needs volunteer department superintendents. There are the people who help set up and decorate the exhibitor areas, help the exhibitors and judges as needed and then take it all down at the end of the fair.

Superintendents are needed for the following departments:

- Animal & Veterinary Science (Junior department)

In the past there has been just one committee for these departments but it could be divided up. Some are smaller than others and some Judges will judge several of the departments.

Please call Cindi @ [715-218-7649](tel:715-218-7649) and leave a message.
