RE: Upcoming Dairy Project Opportunities

The Jr. Dairy Committee has asked me to send the following information about upcoming meetings and other information to potential Jr. Dairy exhibitors. A big thank you to the committee and advisors for all of their hard work!!!

- **Potential Dairy Exhibitor Mandatory Informational Meeting – Tuesday, June 22th at 7 pm in the Upper-Level Assembly Room at the Lincoln County Service Center (801 N. Sales Street in Merrill – enter lower level/south entrance and follow the signs to the meeting room).** Individuals who are considering exhibiting in the Jr. Dairy department and their parent/guardian must attend this informational meeting to show at this year's Jr. Dairy Show. There will be an option to Zoom in the Meeting if you are unable to attend in person. **If you are unable to attend, please call Kassie Schepp (715-432-9114) by Monday, June 21st.**
- **Dairy Project Record** – This form is required for each exhibitor to complete and turn in on Wednesday of the Fair when their animals are checked in to Stephanie or Kassie. We will be going through this form at the meeting to explain how to complete.
- **Show Helpers** – The Jr Dairy Committee is looking for individuals that can help as pooper scoopers, gate openers, and other things that come up during the show on Friday morning. Please contact a Jr. Dairy Committee member if you are able to help in this manner. There will be signup sheets at the meeting for duties.
- **Changes to Rules** – The Jr. Dairy Committee will be reviewing all the rules for this year's Jr. Dairy Show at the Mandatory Informational Meeting.
- **T-shirt order form** – The committee will again have t-shirts available to order at a reasonable cost. The committee will have a sign up for ordering at the Mandatory Informational meeting.

Purpose Statement

We teach, learn, lead and serve, connecting people with the University of Wisconsin, and engaging with them in transforming lives and communities.

All of this information and forms are posted on the 4-H Dairy Project page on our website at <https://lincoln.extension.wisc.edu/4-h-youth-development/4-h-community-club-programs/project-resources/dairy-project/> and our facebook page – Dairy Project Members.

Any questions please call one of the committee members – Hailey Fawley (715-966-4045), Morgan Sturzenegger (715-536-5112), Merin Yates (715-921-6785), Claire Duley (715-409-9704) or Kassie Schepp (715-432-9114).
