ACADEMIC SUCCESS

Supporting youth to graduate from high school and enter post-secondary education, military service or the workforce through homework help and tutoring, academic enrichment activities, STEM programming, and college, career and employment preparation. Providing kids and teens with a consistent, hands-on learning environment.

CAREER & WORKFORCE DEVELOPMENT

Supporting youth as they begin to think about jobs, education, and careers through interaction with local businesses and colleges to help prepare Club Members for the world of work and provide the tools, resources and planning they need to prepare for a future career.

91% of Members report Clubs help them set goals and develop a plan for life after high school.

HEALTHY LIFESTYLES

Helping youth develop positive life skills to increase their capacity to engage in positive behaviors that nurture their own well-being, set personal goals and live successfully as self-sufficient adults.

92% of Members say Clubs help them make healthy choices.

GOOD CHARACTER & LEADERSHIP DEVELOPMENT

Helping youth develop leadership skills and providing opportunities for planning, decision-making, and contributing to the Club and our community.

90% of Members report feeling like an important part of their Club and community.
