

2025-2026 WISCONSIN 4-H

STATE PROGRAMS &
EDUCATIONAL EXPERIENCES

A LETTER TO YOU

Dear Wisconsin 4-H members, leaders, and families,

Welcome to the 2025-26 Wisconsin 4-H year!
We are so excited to have you as part of this
growing, thriving, and passionate community,
and hope you have the best 4-H year ever!

As a 4-H member, you have many opportunities to find
your "spark" through experiences at the club, county,
state, and national level (a "spark" is something that
inspires curiosity, feels exciting, and you'd like to learn more about). Sometimes, there are so
many choices in 4-H that it can be difficult to learn about them all. That's where this "4-H
Opportunities" booklet comes in! We are excited to provide this one-stop shop for you to
explore and dream about all the educational experiences available to you as a Wisconsin
4-H member.

Are you ready to take the next step in 4-H? From attending national trips, joining statewide
teams, to exploring the world, the possibilities are (almost) endless. You may not be old
enough for all of these experiences yet, but I encourage you to plant the seed of "what could
I do in 4-H?" now and watch it grow in the years to come. Many 4-H alumni share
inspirational stories about how much they gained (such as new friends, independence, and
travel in new communities) from their statewide experiences.

Enjoy learning about all of the amazing opportunities available to you in Wisconsin 4-H.

Time to explore!

WILDLIFE & WOODS VIRTUAL CLASSES

Wildlife and Woods is Wisconsin 4-H's statewide natural sciences, wildlife, and forestry monthly, virtual event.

Learn about wildlife, trees, management concepts and management practices! Outdoor enthusiasts connect with other 4-H youth of all ages from around the state. Together, we explore the natural world with a special focus on wildlife, wildlife habitats, and trees. Participants learn about wild places across the United States following the **4-H Wildlife Habitat Education Program (WHEP)** and the **4-H Forestry Program**. Since the sessions are co-presenter by youth and adult leaders, the youth leadership opportunities are plentiful.

Materials are designed for all ages and knowledge levels, so everyone can benefit.

To learn more about WI Wildlife & Forestry, please visit go.wisc.edu/4hwildlife.

WISCONSIN SHOOTING SPORTS

The Wisconsin 4-H program uses the National 4-H Shooting Sports curriculum to teach shooting sports safety to more than 5,000 youth. Shooting Sports in 4-H offers year-round training and fun competitive events for youth members in grades 3-13. Training programs in air pistol, air rifle, archery, muzzleloading, pistol, rifle, shotgun, and gun safety are available.

Youth in training are eligible to participate in the fifteen state competitive events throughout the year and for those interested their qualifying scores will determine who represents Wisconsin on the state's National Championship Team.

YOUTH EMPOWERMENT

YOUTH AS PARTNERS IN CIVIC LEADERSHIP

The mission of YPCL is to advance youth voices in Wisconsin by increasing the capacity for youth and adults to share civic leadership in local schools, communities, and organizations.

At the event, participants engage in youth led workshops on topics of community service, civic engagement, health, and relationships. There are opportunities for day and night time outdoor activities, team building exercises, and a talent show. The weekend ends in each 'team' creating and presenting an action plan of a project to bring back to their home communities.

Participants should register as a part of a team that includes adults and youth working in partnership. Examples of teams include but are not limited to nonprofit organizations, community centers, afterschool programs, school-based student clubs, county coalitions, and 4-H clubs.

A special **THANK YOU**

Many of the incredible opportunities of Wisconsin 4-H would not be possible without the generous gifts from individual donors, private foundations, and corporate support from across the state and beyond.

Thank you to our donors for their financial support which helps to make programs available to youth throughout Wisconsin.

**When you give, you help youth
learn, grow, and be successful in their lives.**

Extension's Positive Youth Development Institute prepares the youth of today to become the effective, empathetic adults of tomorrow. Our research-based youth enrichment programs like teens in governance build youth and adult capacity and partnerships that help both sides grow. 4-H clubs, camps and afterschool programs give young people the hands-on experiences they need to develop an understanding of themselves and the world.

**We empower
Wisconsin
youth, and the
communities
who support
them, to thrive.**
